What is it?

This year we're excited to announce two distinct streams: **Medical Dilemmas and Sustainability**, and **Medical Technology**. Join us as we work together to explore solutions and make a real difference within the healthcare system!

Prizes

There will be up to **\$5,000 in prizes** to be given to the winners and runner-ups of each stream. But that's not all - community prizes, complimentary dinner, and exclusive networking opportunities with industry leaders await you!
